GOOD BY! SOUTH HIGH!

As slow our ship her foamy track  
Against the wind is cleaving,  
Her trembling pennant still looks back  
To that dear Isle, we're leaving.

So loath we part from all we love,  
From all the links that bind us;  
So turn our hearts where e'er we rove,  
To those we've left behind.

## A PASSER-BY

"Whither, O splendid ship, thy white sails crowding,  
Leaning across the bosom of the urgent West,  
That fearest nor sea rising, nor sky clouding,  
Whither away, fair rover, and what thy quest?"

"And yet, O splendid ship, unhailed and nameless,  
I know not if, aiming a fancy, I rightly divine  
That thou hast a purpose joyful, a courage blameless,  
Thy port assured in a happier land than mine?"  
—Robert Bridges

Is not each one of us the captain of a ship, sailing  
the sea of life; does not each have "a purpose joy-  
ful, a courage blameless;" and should not each have  
in his ideals and aspirations a "port assured in a  
happier land?"

*R. M. Harris.*

Like a lighthouse guiding a ship to safety,  
the faculty has guided the seniors.

## In Memorium

*Dedicated to the memory of R. H. Johnson  
who has left a lasting impression of twenty-  
one years of faithful and unselfish service to  
South High School.*

We can't all be captains,  
we've got to be crew,  
There's something for all  
of us here,  
There's big work to do and  
there's lesser to do,  
And the task we must do  
is the near.

# CLASS OF JUNE, 1927

This month finds one hundred and fifty-five boys and girls leaving South High School for greater fields to conquer. Much is expected of this group which makes up the largest graduating class in the history of South High. The class has seen a number of changes take place and has enjoyed the many privileges which the new building affords.

We find, after looking over the questionnaires of the students, that thirty-one are entering University, twenty-two others are going to college, twenty-eight are going into the business world, four will teach, five will take up nurse's training, and the remainder have no definite plans for the future.

SOUTH HIGH SCHOOL

There is a tide in the affairs  
of men,  
Which, taken at the flood, leads on  
to fortune;  
On such a full sea we are now  
afloat,  
And we must take the current when  
it serves,  
Or lose our ventures.

Mr. C. E. COOK, Sponsor

CLASS OF AUGUST

1926

As South High had no summer school sixteen ambitious boys and girls were permitted to attend Technical High school and finish their courses. Mr. C. E. Cook was class sponsor and coach for the Senior Play given in the school Auditorium August, 1926. The play, "Not So Fast" or "The Blimp", a comedy in three acts, was presented to an appreciative audience at graduation and repeated October 1, 1926 for the benefit of the South High activities fund.

Not only in basket ball does South  
High shine  
Not only in football do they pass  
the goal line  
Not only in Debates does the red  
and white "stick"  
But here's another accomplishment  
and that's—"Music."

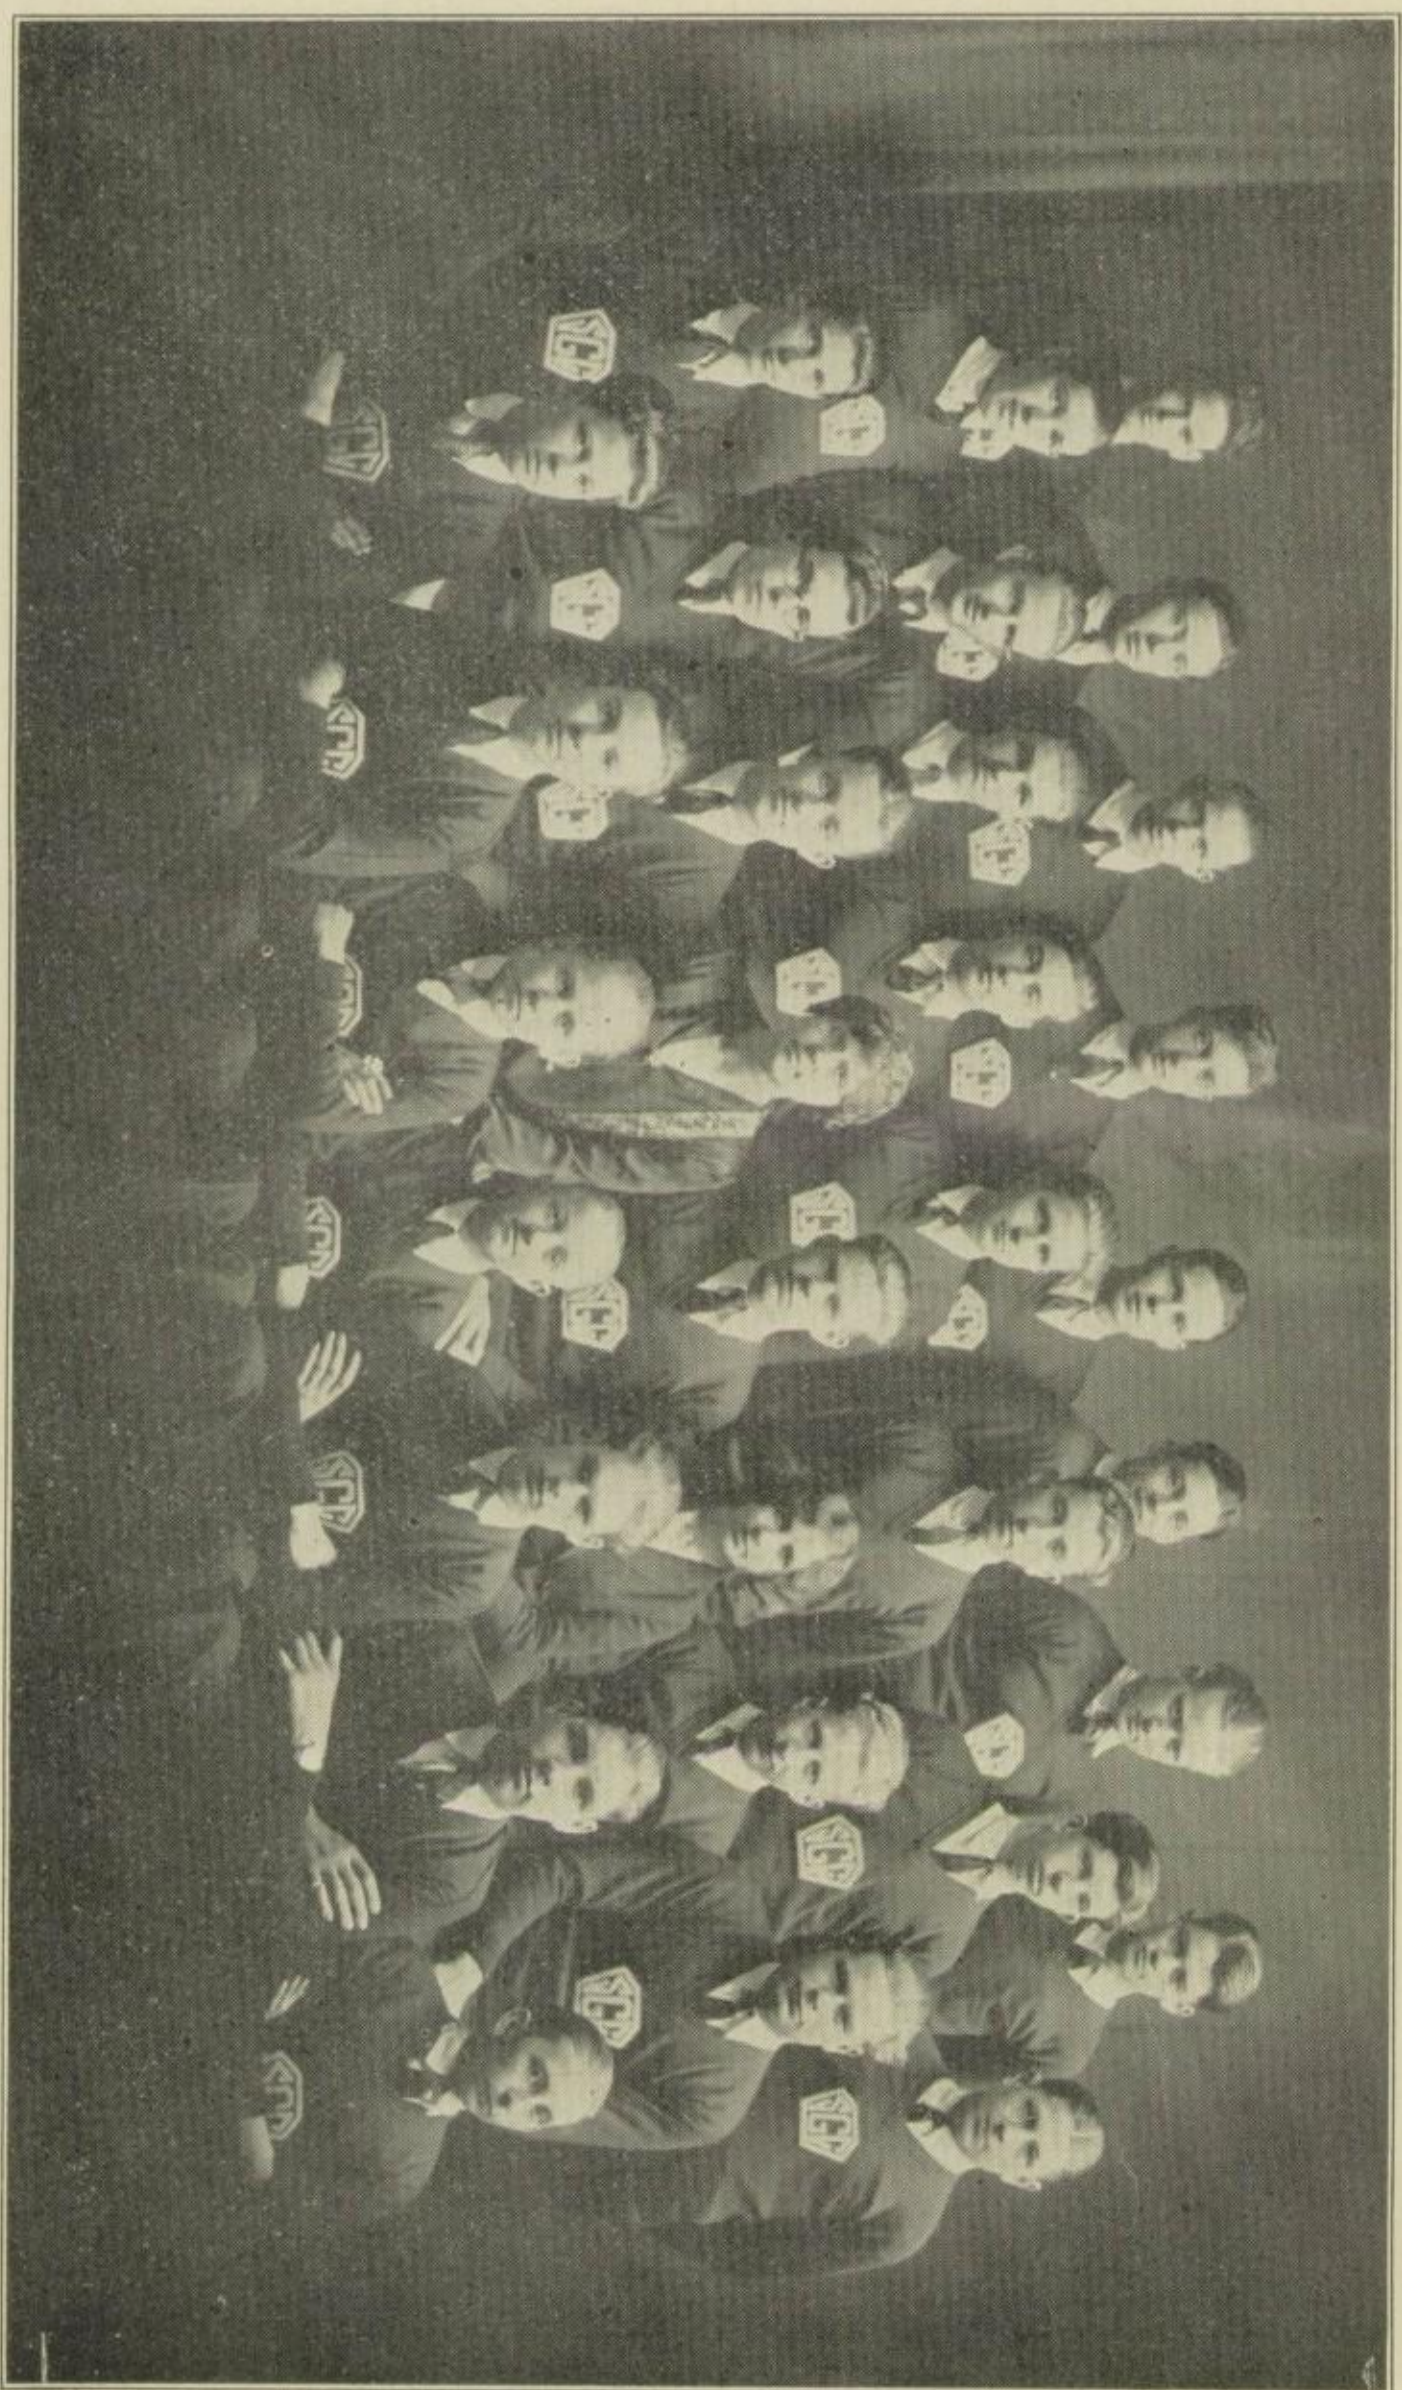

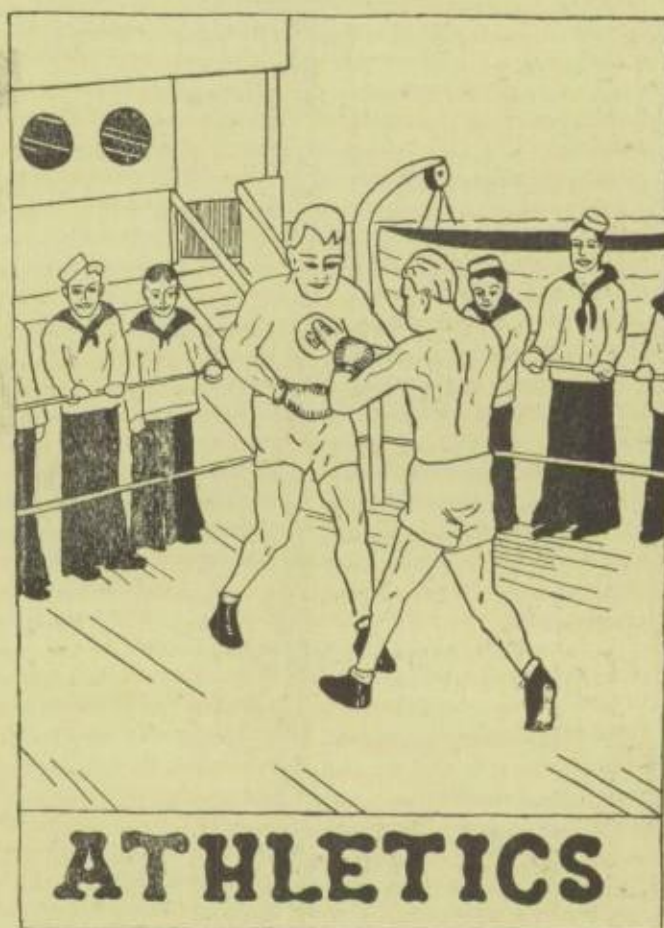

GIRLS' JUNIOR GLEE CLUB

BOYS' SENIOR GLEE CLUB

In Athletics South's hard to beat—  
Our teams are good,  
They seldom meet with defeat.

GIRLS' SENIOR GLEE CLUB

## CITY CHAMPIONS

South earned the title of the city champions by defeating Creighton, Tech, North and tying Central with a team that contained but three veterans of the 1925 team. The winning of six games, and the losing of two in a tough schedule is the record of Coach "Jim" Patton's Red and White Warriors.

The crowning efforts of the season brought out the defeat of Tech, the first time since 1921. "Moon" Mullen scored a touchdown when he caught a beautiful pass over the goal line from the hands of our all-city quarter-back, Bernard. The versatile Ashburn made good the try for point. South's line and backfield played with unerring precision in bringing down the Cuming street lads.

The first game of the season, which was lost to Thomas Jefferson was a hard tough game. McCook Beef luggers were next and proved a worthy foe. John Owen star halfback, sustained a broken leg and was out for the rest of the season. South emerged on the short end of the score, losing by a drop kick in the last half second to play. South's debut with Creighton Prep, marked up their first city game by beating Prep. A touch down by Bernard, coupled with a safety and try for point by Ashburn, did the trick. They next played their annual game with Abraham Lincoln and came out victorious. Yager blocked a punt which Pankowski fell upon and converted into a touchdown. Ashburn kicked the extra point. In the game with Tech, South showed its mettle and paved its way to a city championship. The journey to Fremont proved successful by defeating the outstaters on their own gridiron. Ashburn made a 41 yard drop kick after he made a touchdown which proved the downfall of Fremont. South and Central played in a sea of mud and water, and the purple clad lads managed to keep the game at a scoreless tie. The last game was a fitting climax to the season. South, with touchdowns by Marsicek, Anthony, and Dietch, and extra points by Ashburn, won over the Norsemen. A great deal of credit must go to coaches Patton and Lowry, who labored hard to shape the available material into the best team in the city, and one of the best in the state. The backfield was one of the best with Marsicek at half; Ted Anthony, half; Hughie Ashburn, Capt. elect, at fullback; and "Bidy" Bernard, quarter. The line demonstrated a brand of playing that could be equaled, with Yager at center Semerad and Pros, guards; Capt. Gilbert and Dietch, tackles, and Mullen and Pankowski, ends. The subs: Kirk, Kalhorn, Wazgis, McDermott, and Matulka saw plenty of action during the year.

Congratulations to Capt. James Gilbert whose team so successfully brought the city championship title to South High.

FOOTBALL TEAM—CITY CHAMPIONS

## CITY CHAMPIONS

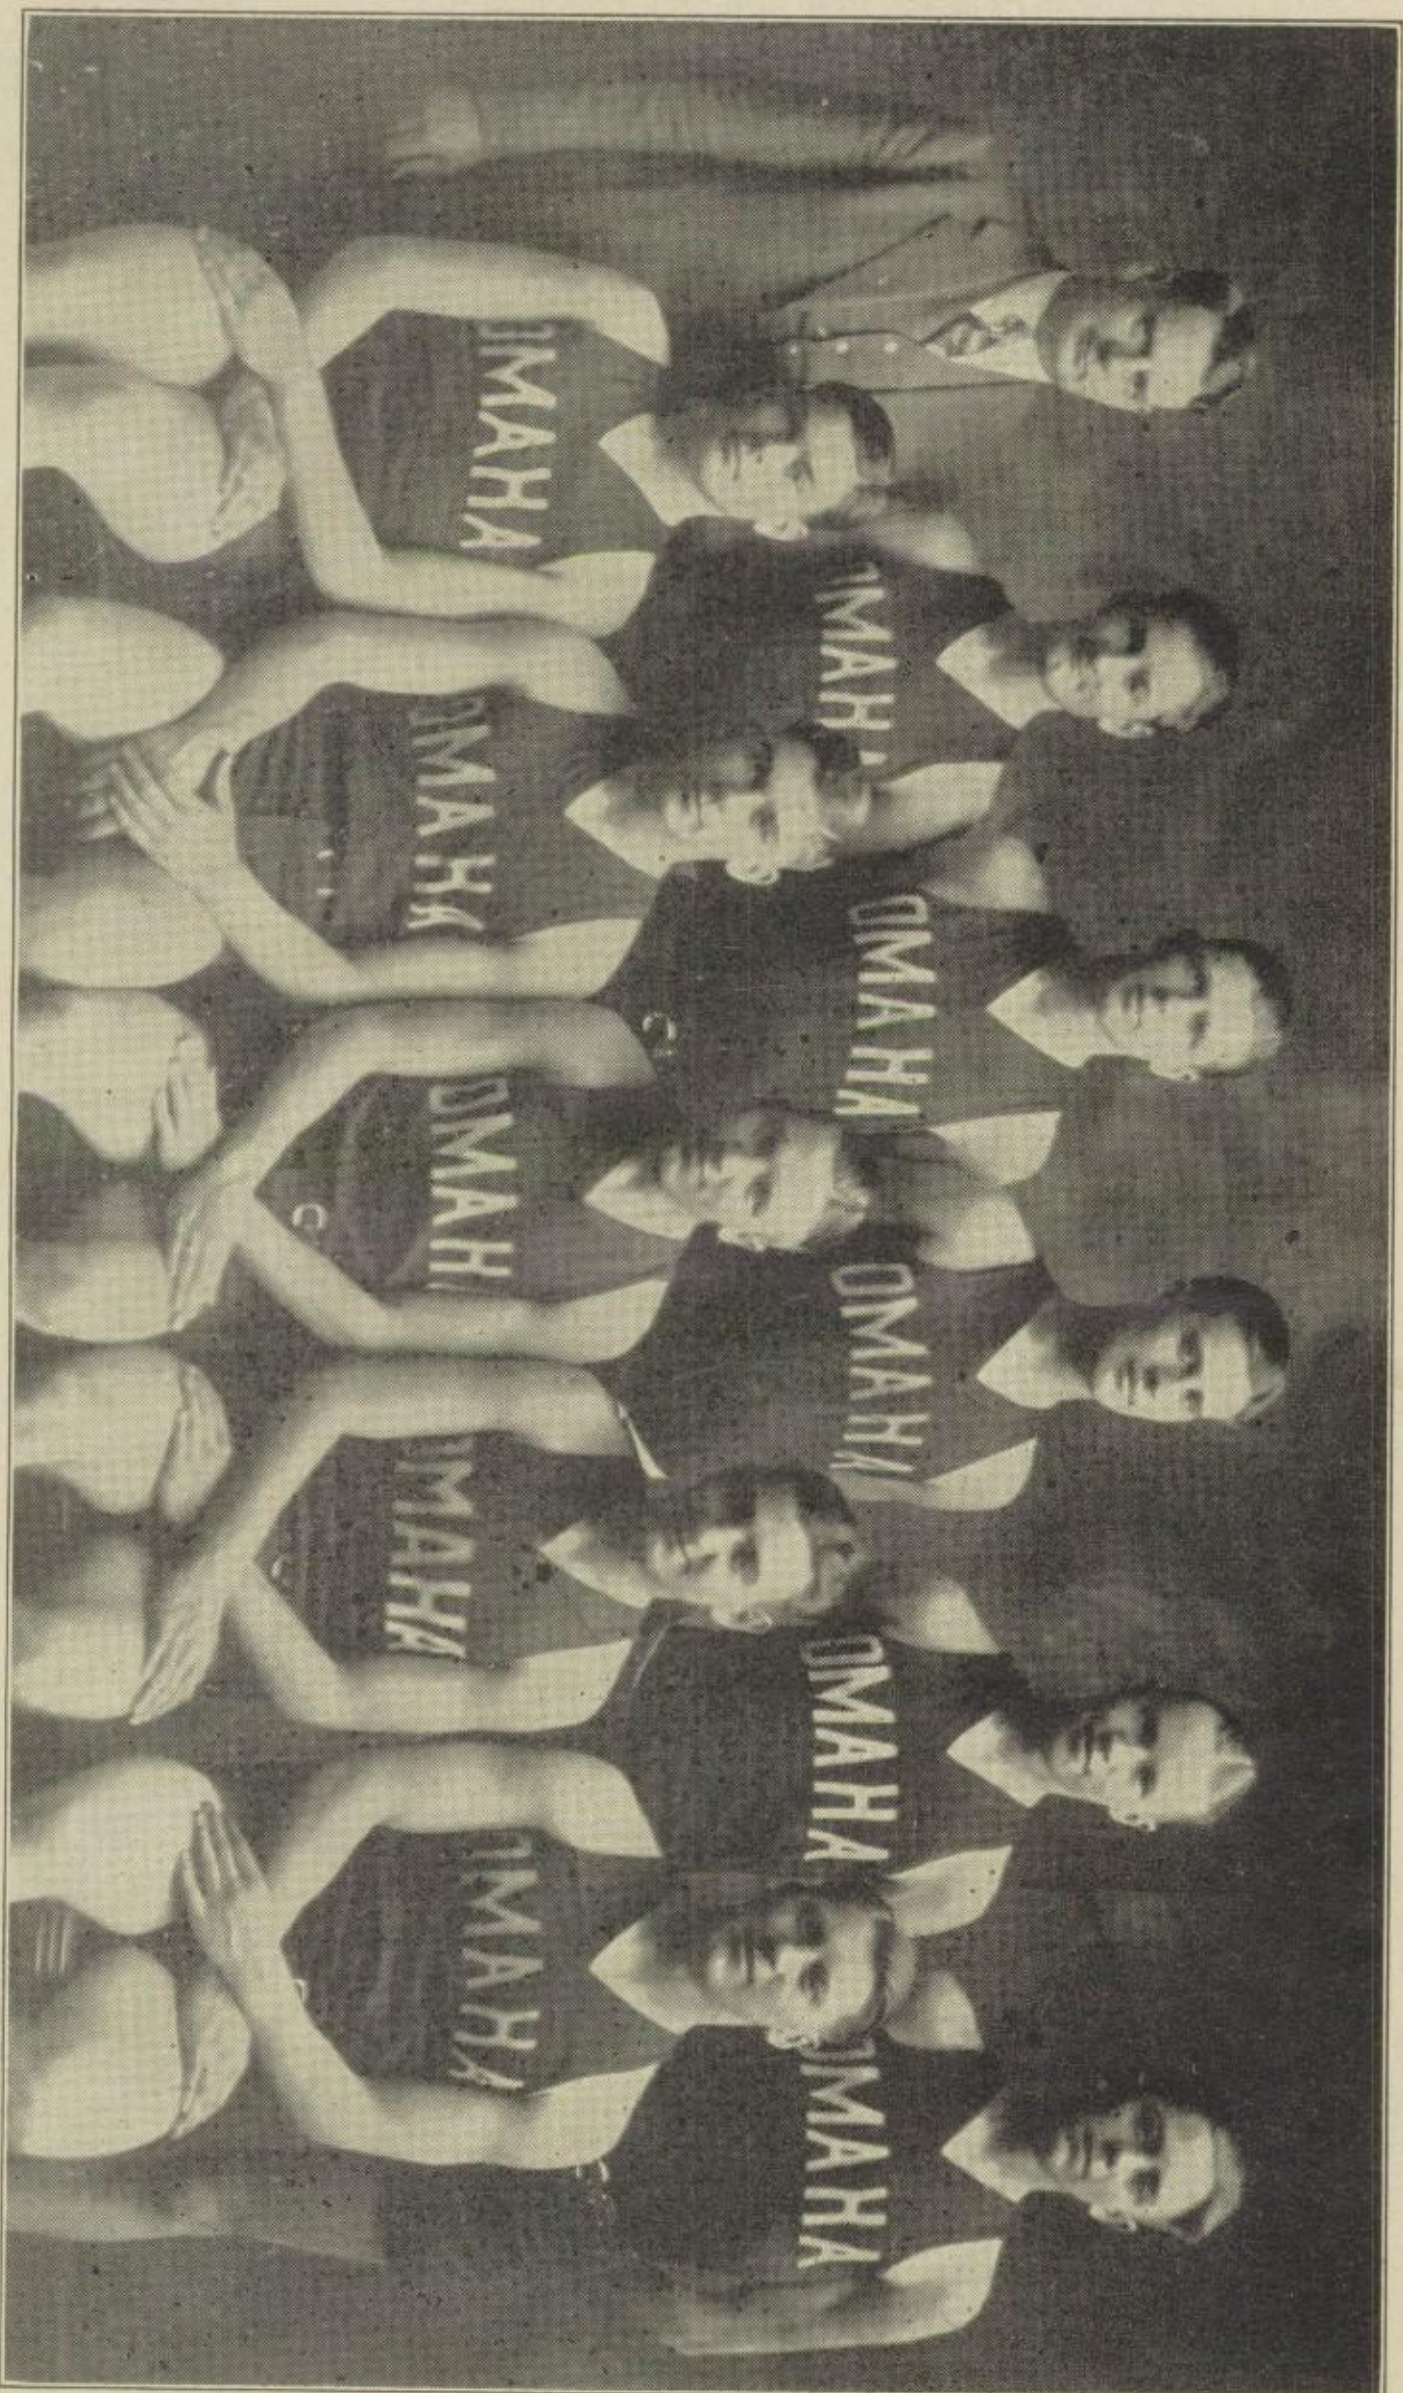

South earned the title of the city champions by defeating Creighton, Tech, North and tying Central with a team that contained but three veterans of the 1925 team. The winning of six games, and the losing of two in a tough schedule is the record of Coach "Jim" Patton's Red and White Warriors.

The crowning efforts of the season brought out the defeat of Tech, the first time since 1921. "Moon" Mullen scored a touchdown when he caught a beautiful pass over the goal line from the hands of our all-city quarter-back, Bernard. The versatile Ashburn made good the try for point. South's line and backfield played with unerring precision in bringing down the Cuming street lads.

The first game of the season, which was lost to Thomas Jefferson was a hard tough game. McCook Beef luggers were next and proved a worthy foe. John Owen star halfback, sustained a broken leg and was out for the rest of the season. South emerged on the short end of the score, losing by a drop kick in the last half second to play. South's debut with Creighton Prep, marked up their first city game by beating Prep. A touch down by Bernard, coupled with a safety and try for point by Ashburn, did the trick. They next played their annual game with Abraham Lincoln and came out victorious. Yager blocked a punt which Pankowski fell upon and converted into a touchdown. Ashburn kicked the extra point. In the game with Tech, South showed its mettle and paved its way to a city championship. The journey to Fremont proved successful by defeating the outstaters on their own gridiron. Ashburn made a 41 yard drop kick after he made a touchdown which proved the downfall of Fremont. South and Central played in a sea of mud and water, and the purple clad lads managed to keep the game at a scoreless tie. The last game was a fitting climax to the season. South, with touchdowns by Marsicek, Anthony, and Dietch, and extra points by Ashburn, won over the Norsemen. A great deal of credit must go to coaches Patton and Lowry, who labored hard to shape the available material into the best team in the city, and one of the best in the state. The backfield was one of the best with Marsicek at half; Ted Anthony, half; Hughie Ashburn, Capt. elect, at fullback; and "Bidy" Bernard, quarter. The line demonstrated a brand of playing that could be equaled, with Yager at center Semerad and Pros, guards; Capt. Gilbert and Dietch, tackles, and Mullen and Pankowski, ends. The subs: Kirk, Kalhorn, Wazgis, McDermott, and Matulka saw plenty of action during the year.

Congratulations to Capt. James Gilbert whose team so successfully brought the city championship title to South High.

BASKETBALL TEAM

## FIRST TEAM BASKETBALL

South High's basketball team won six games out of thirteen which were played. They began the season with defeat by the fast Lincoln High team, the present State Champions, and ended the season with a victory over the scrappy Creighton Prep. team.

In the city tournament the team beat North in the first round, but in the semi-finals were defeated by Technical, the 1927 City Champions.

The captain of this year's team, Theodore "Ted" Anthony, held down a forward position and played some real basketball. Tom "Moon" Mullen, held the center position and the regularity with which his shots found the basket won more than one game for the packers. Byron "Bidy" Bernard played the other forward position until he was graduated in mid-season. He played wonderful ball by finding the basket from the center of the floor. The leaving of Bernard meant the breaking of that famous trio, Mullen, Anthony and Bernard.

After the graduation of Bernard, Montgomery seemed to be the man for the forward position left open and he played a "bang-up" game all the time. Although it was Hugie Ashburn's first season with the team his ability in the guard position was excellent. Another whirl-wind at guarding was Robert Reeves, capt-elect. This was Bob's first year too.

The reserves, composed of Charles Semerad, Wallace Wiig, Eugene Graves, Richard Yager, "Bud" McAvoy, who was graduated in mid-season, also did some good work for Coach Patton.

The boys on the squad that will be back to play next year are: Robert Reeves, capt.-elect; Hughie Ashburn, and Eugene Graves. Much will be expected from them.

## RESERVE FOOTBALL

Coach Lowry's reserves had a good season during 1926. They had a hard schedule, winning two games losing one and tying two. The first team to go down to defeat by South was North. The reserves had it easy with the Norsemen and won by a good margin. The game with Central was a fast and hard fought game ending in a tie. Another victory was chalked up when the seconds beat Creighton. This game was a close score and the boys fought hard for it. The Thomas Jefferson reserves proved worthy foes and held South to a scoreless tie. The hardest game of the season was with Technical. South came out on the short end of a large score. The second team players were: Reeves, Vail, Ridely, Goddard, McElligott, Wentz, Dyba, Thomas, Murray, Hayes, Myler, Chance, E. Parks, Pesek, Stillwell, Gregg, and Emigh. As most of the letter men will be graduating many of these boys will be seen in the first team line-up next year.

## FRESHMEN FOOTBALL

South High's prospects for a winning varisty eleven next fall looks very promising considering the fair showing that Arden Berquist's aspiring freshmen made on the gridiron during the past season.

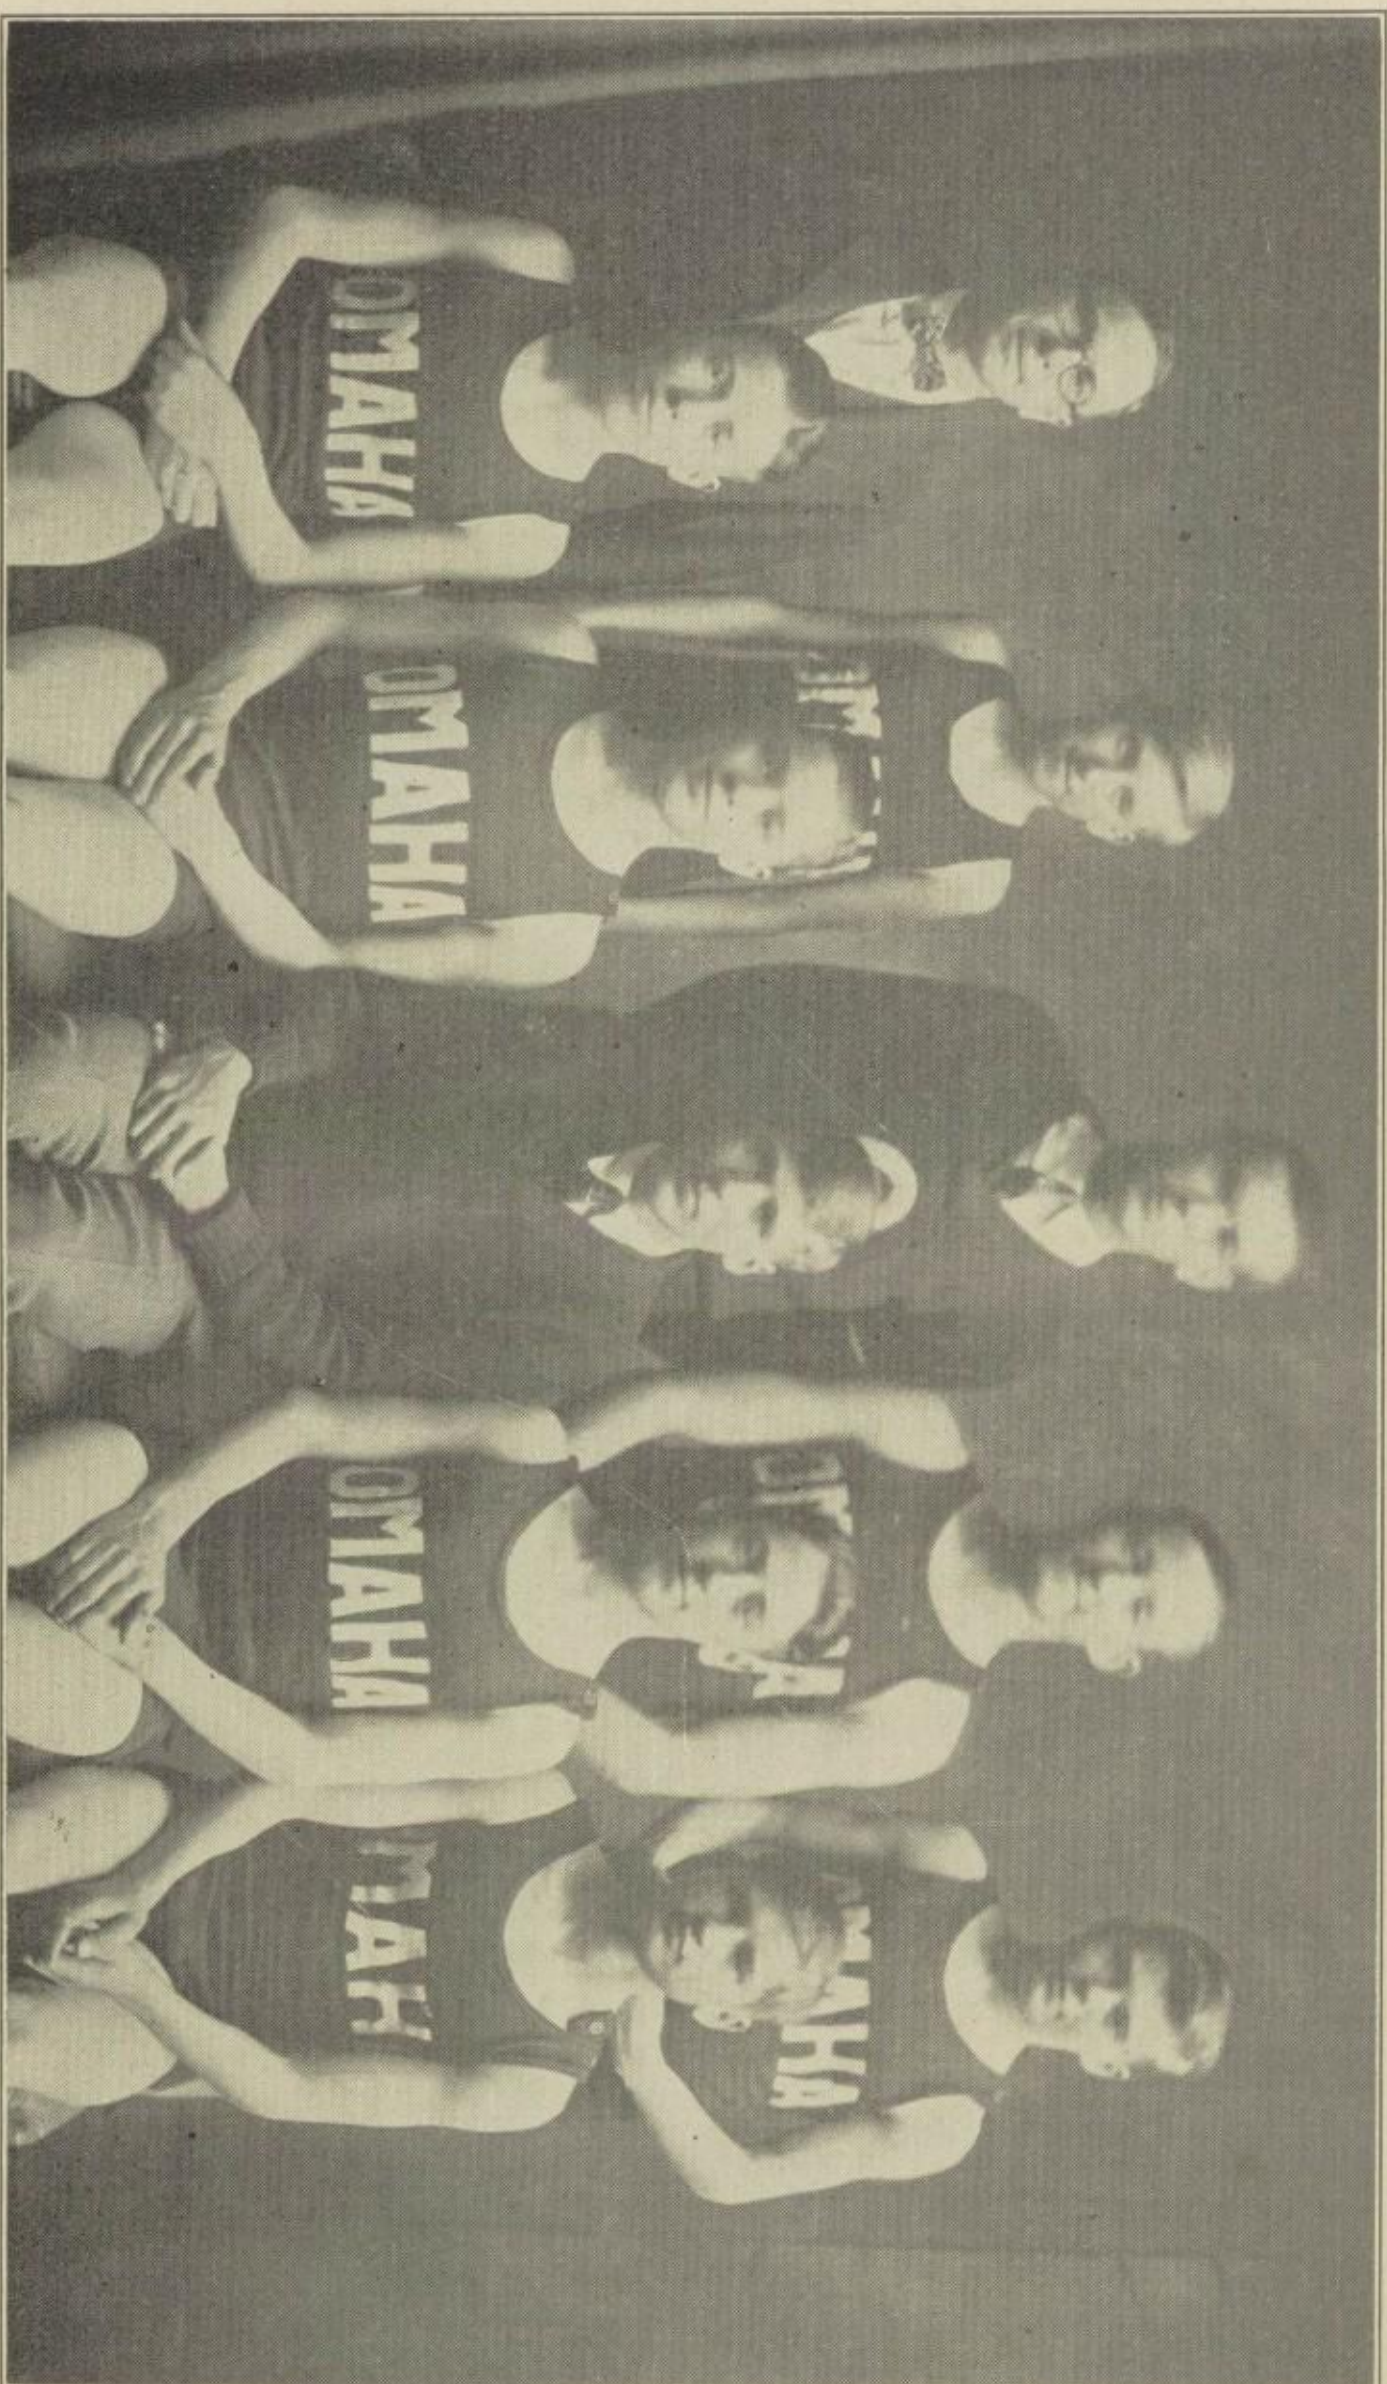

After getting off to a poor start the youthful lads managed to turn in some good games and the outcome of most of the games was not decided until the final whistle.

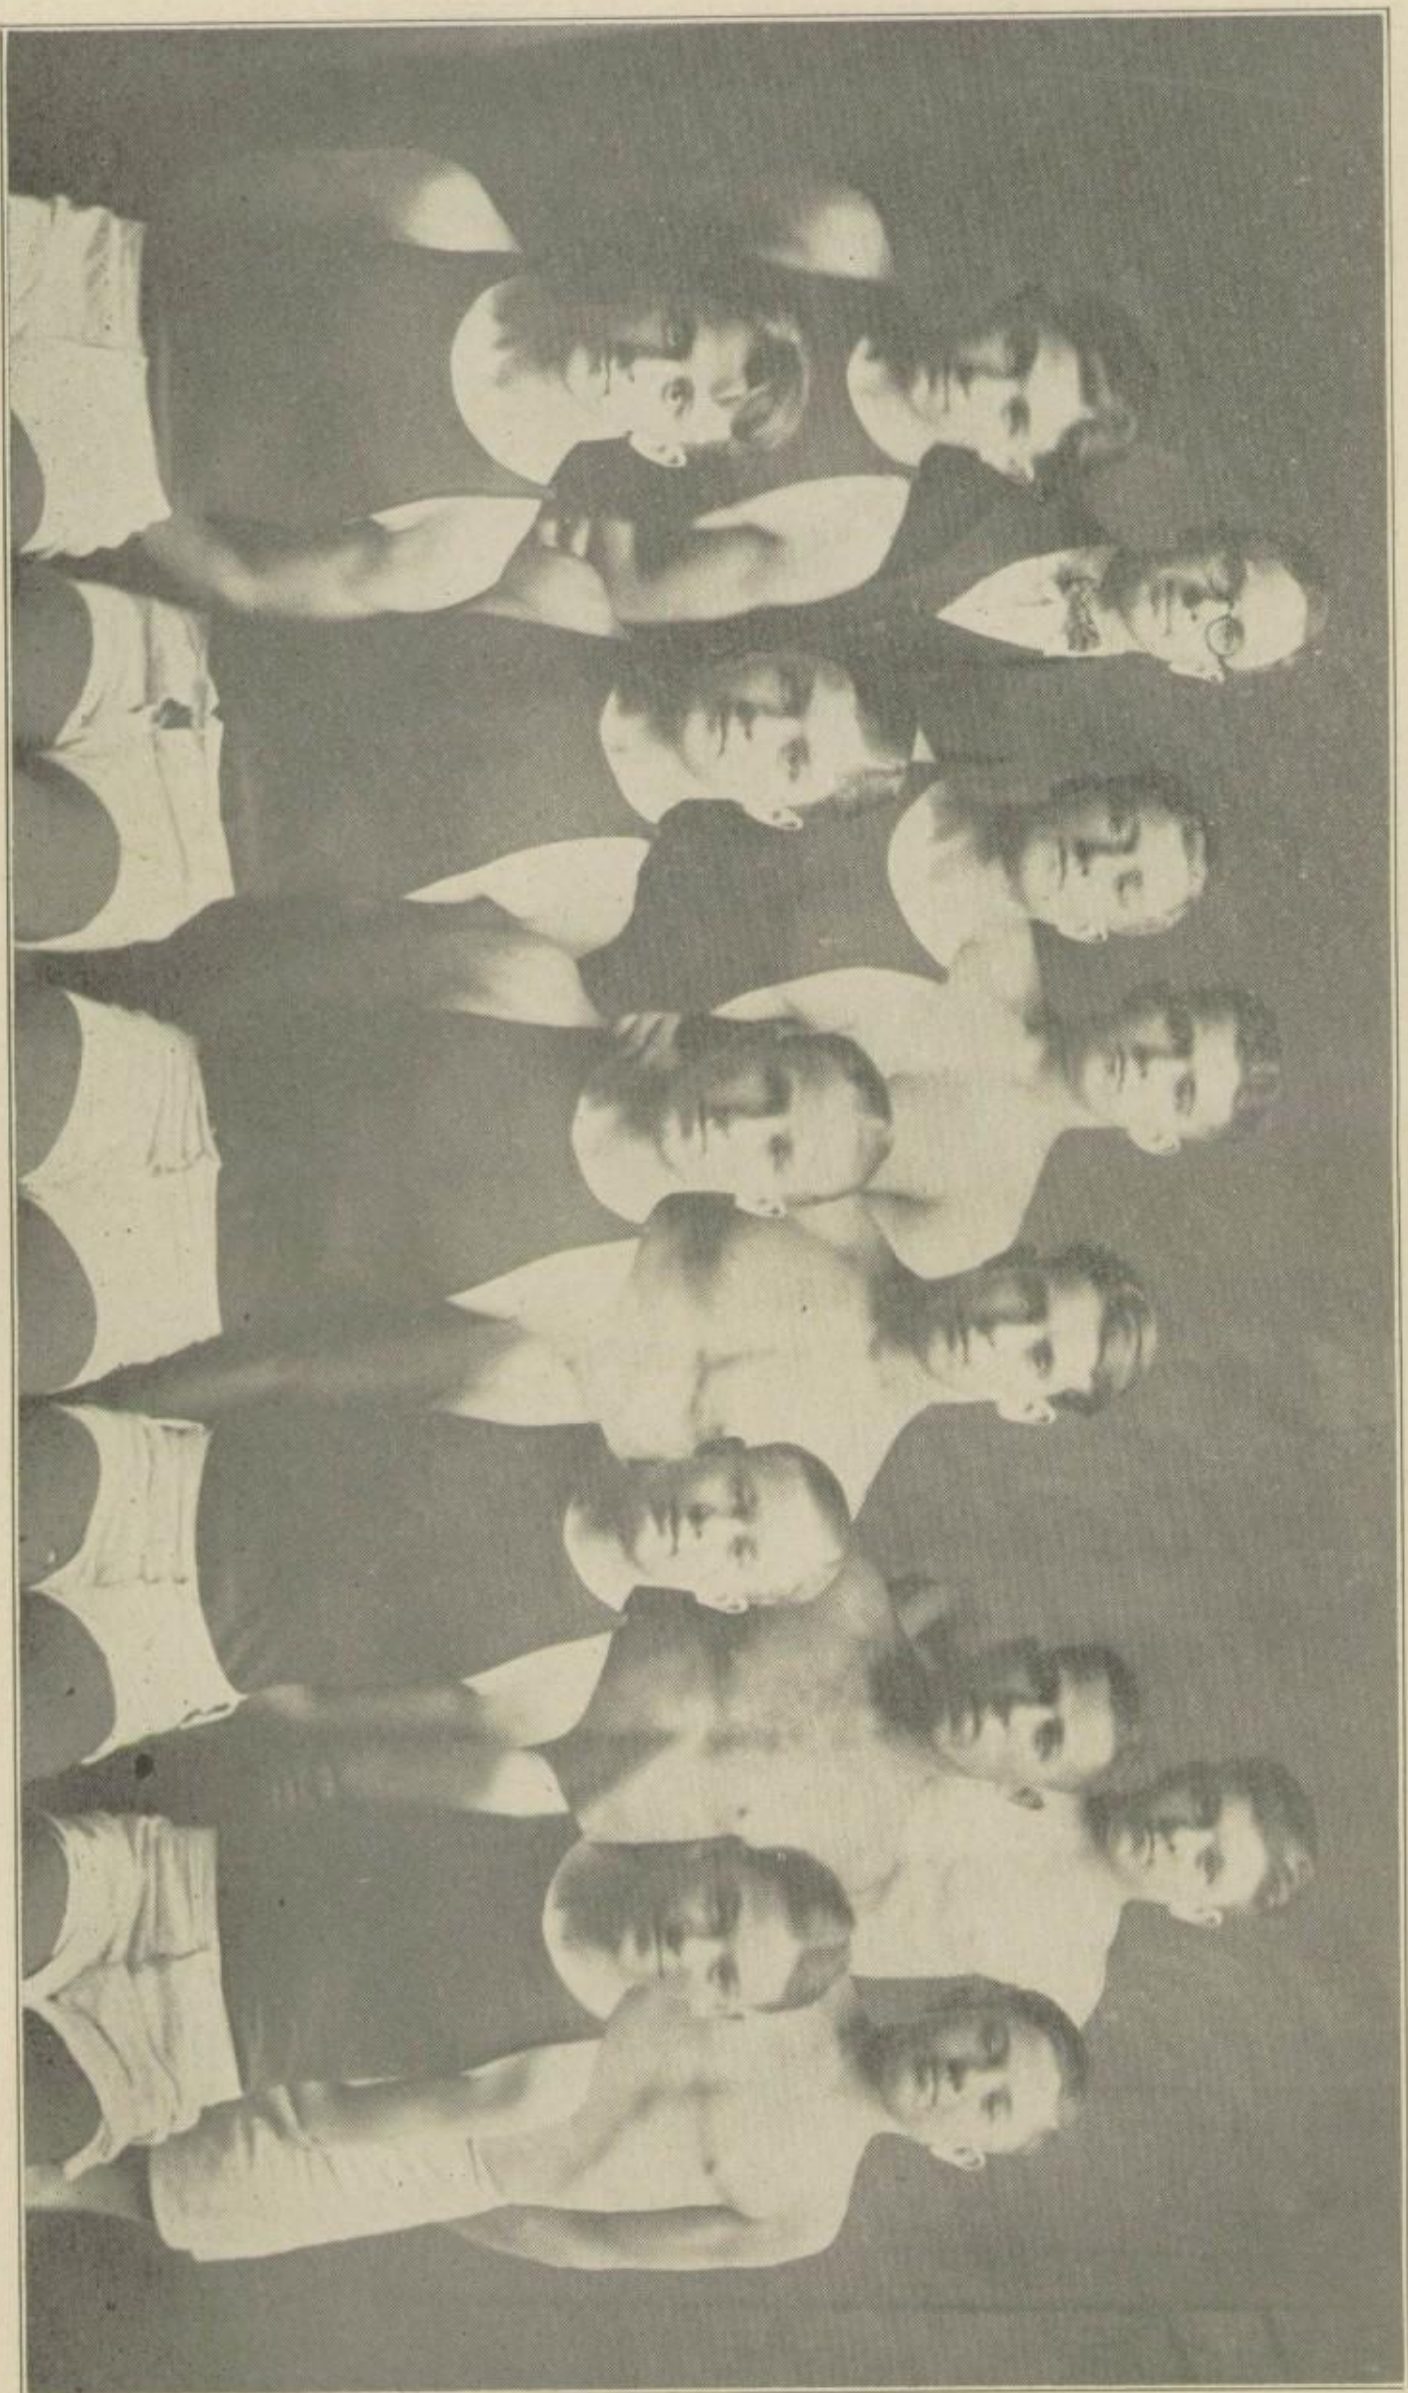

THE "O" CLUB

SWIMMING TEAM

WRESTLING TEAM

## SWIMMING

Swimming in a dry pool, South went through the season with two victories and several defeats in dual matches. Creighton was taken into camp during the second round, and Central was forced to forfeit a match, after they had already won it, because they used an ineligible man. Lincoln, Nebraska also took a dual from us.

Capt. Bingham was high point man for the season, picking up points in every meet entered. His specialty is diving and the 50-yard dash. Watkins won numerous points for his team, and Blankenship was sure of points but was ineligible most of the season. Several freshmen were members of the team and next year we should have a championship gang. Our relay team was one of the best in the city, made up of Bingham, Watkins, Sakalosky, Blankenship, and Virschel, four of these swimming in all meets. Crosby was always good for points in the plunge for distance.

Capt. Bingham, Werpetinski, Lang, and Yager will be lost through graduation, but a good bunch will be back and fighting for places next fall.

## WRESTLING

Wrestling during the past season has been growing in popularity. Since no faculty coach was available, Otto Matulka took over the task and filled the position creditably. In the city meet this year Matulka was the only South High man to get into the finals.

South won one dual meet this year, and that from Central. However, no school had a walk-away when meeting South and the old South spirit was always in evidence.

For next year prospects are bright with the following men back: Smutny, Olien Dyba, Murnan, Blend, Rowe, and Povondra. Smutny and Dyba will serve as leaders for the team; being chosen by their team mates to act as captains. Others who will be out are: Pesek, Jarousek, Mikovec, Biddles, Thomas, Ballen, Haney.

All in all, it looks like a good year for South in wrestling. Matulka's loss through graduation will be keenly felt, but with plenty of material a winning team should be turned out.

## BASEBALL

South High won the city championship this year, playing a stiff schedule of games and suffering but one defeat which was to Tech in the last game of the season. Tech by losing to Central, forfeited the city championship to South High.

The Red-clad Packers had to play stellar baseball in turning in this wonderful record. Although South lost to Tech they were awarded the city flag when Central turned in an unexpected victory over the Drummond coached lads. The score was 4 to 2.

The first game of the season was with Central. The Packers held the Centralites to one run, winning by a 7 to 1 score. The game with North was a victory too, South having 12 runs and North none. The trip to Creighton was another success. South finished on the long end of a 14 to 6 score. The first game with Tech was a close game and the Packers won 6 to 4. When Central came up to Athletic Park for their second game they were defeated 10 to 2. The second meeting with North South beat the Vikings 10 to 0. Another victory was chalked up for the Packers when Creighton visited South. The score was 14 to 6. The first defeat of the season came from Tech at Athletic Park. Tech brought in 5 runs and held the Packers to 2. South owes her champion team to the number of eligible letter men on it.

The letter men playing this year were Capt. Ashburn, John Owen, Clinton Hughes, Otto Matulka, Bob Reeves, Frank Mader, "Chuck" Semerad, Richard Yager, and Wallace Wiig. Other men on the squad were Hemple, McElligott, Franklin, Krajeck, and Kozney.

## GOLF

South copped the city championship in Golf in 1926 and won the Seavey Hudson Cup, thus gaining the first leg on the road to its permanent possession. Three "legs" are necessary to retain the cup, and it looks as though we would be the ones to gain these.

Last year's team was made up of Capt. Goodman, Frank Siedlik, Frank Ohnesorg, Matthew Zadalis, and Ray Groves. They did not lose a dual match and took all comers into camp during the city tournament.

Frank Siedlck won the open tournament in 1926 with Goodman as runner-up. The 1927 tournament has progressed to the final round with Buscher and Anthony paired. Seymour was medallist in the qualifying round with an 86, played under disagreeable conditions, rough fairways, and rain. Bohaty, Groves and Kopke were also in the championship flight. Goodman and Seidlik did not enter the school tournament, but are numbers 1 and 2 on the school team.

Several freshmen are showing up well, namely Dropinski, Menchetti, Bohaty, Rohwolik, and should add strenght to the team next year. Goodman, Groves, Seymour and Anthony are graduating and so will build a new team to cop the city championship for the third time in 1928.

## TENNIS

Tennis enthusiasts perked up a little at South during the past season. Two new new courts were established in Athletic Park, which made practice more convenient. The courts were much in demand and many were the keen contests waged

All dual matches and the city meet were played on the courts of the Omaha Tennis Club in Dundee. Five teams were in the circuit; Central, Creighton, North, South, and Technical. Team play featured and school trophies were offered.

South won a dual match from North during the season, but lost the others. We also entered the city meet. The team was made up of McEvoy, Bernard, Anthony, Wheeler, and Goddard.

In the home tournament, Bernard won the gold medal and Goddard the silver medal. Robb and Wheeler were runners-up. McEvoy and Bernard will be lost to the team through graduation, but Anthony, Goddard, Wheeler, Mullins, and Matthews will be left until June.

## TRACK

When Coach Patton called for track men, about fifty boys answered his call. Among these were eight letter men: Gilbert, Holmstedt, Anthony, Chedester, Connort, Hupp, Mullens and Owens.

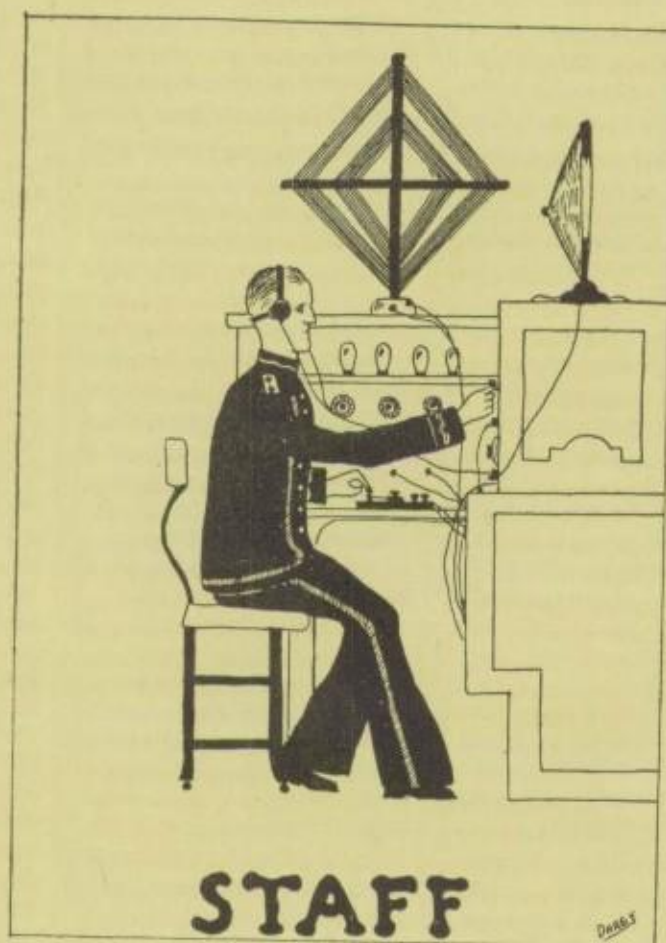

Ray Chedester, the mile and the half-mile runner, was elected captain by the 1926 letter men.

Dual meets have been held with North, Creighton and Tech. And, although South lost three meets the scores were close. In the Council Bluffs relays the boys did well. Gilbert was second in the shot put. Tesnolidek tied for third in the high jump and Chedester second and Yost third in the mile run.

The men who will represent South at the State meet are Gilbert, the shot and discus; Holmstead, sprints and low hurdles; and Chester, mile run. The meets that are to be run yet are Medic Relays, dual meet with Thomas Jefferson and the City meet at Tech High.

The boys who have so far earned letters are: Yost, Gilbert, Dietsch, Wentz, Montgomery, Connors, McEvoy, Holmstead, Anthony, Tesnolidek and Chedester.

## FROM THE STAFF

This month finds many setting forth on the sea of life. We are wishing smooth sailing for those who leave South High. Perhaps these words written by Arthur Brisbane—a greater editor than we—will serve as good directions to the youthful sailors.

"Two ships pass, each with its sails filled out by the same wind. The difference in direction is accounted for by the handling of the rudder and the adjustment of the sails.

What the force of the wind is to the ship, our varying emotions, passions, ambitions, appetites and aspirations are to us. All of these constitute the power which may be called 'human force'. This power differs in different individuals, as the wind differs on different days. It may blow from the east or the west or the north or south. However it may blow, it can be forced, by proper steering, to send the ship in any direction desired.

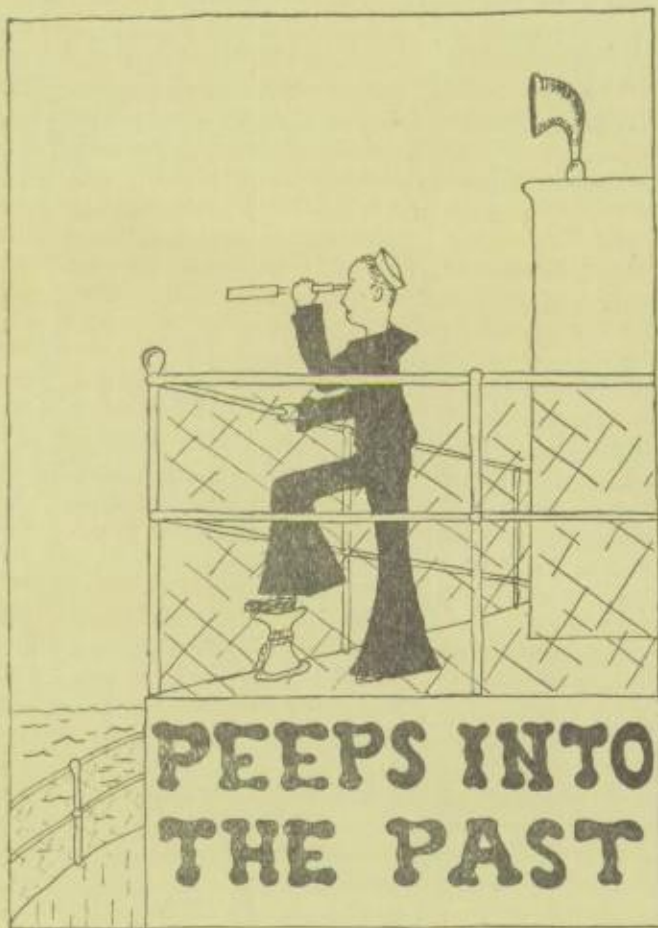

"It is harder to beat against the wind, of course, and many men have hard struggles to steer themselves to a good port in the face of an adverse start, a hard beginning, or inclinations difficult to overcome.

"Consider yourself a ship launched on the sea of life under certain conditions—but with the essential condition in your own control. The wind may be feeble, you may drift for a while or move very slowly—move at least in the right direction. The wind may blow a gale, and you may feel, as many do, that you cannot control your emotions and your appetites. But if that comes show at least as much interest in yourself as a sailor does in his ship. Take in sail and fight the storm, instead of going willingly to destruction. Make up your mind that your own way at least shall be controlled by the rudder of conscience, and learn from the passing ships a lesson of use in your own life."

As broadcasters for the good ship "South" we thank those who have answered our S. O. S. calls so willingly. We have tried to serve by tuning in sympathetically on all phases of school life and appreciate the way in which our teachers and classmates have facilitated our task.

### Butter-Nut <sup>"The"</sup> Coffee Delicious"

#### Porto Rico

Yes, the United States produces coffee. Its possessions on the West, the Philippine Islands produce a high grade of coffee likewise our little treasure island Porto Rico on the East produces a very superior coffee.

**Butter-Nut** Coffee carries the charm of the Orient and Occident and will please with its charm and deliciousness as a trip to these sunny foreign lands.

**PAXTON & GALLAGHER Co.** Omaha

Miss Compton: Where is Berlin?

Dale All: In New York, writing a new song hit!

Lois Etter: The other day that horrid clerk spilled ice cream on me.

"Dot" Holman: Sweet on you, eh?

Bernice Wallace: What do you say if we tie for life?

Bob Wheeler: I can't I'm knot your bow.

I suppose that you read Shakespeare?

Tom Myler: Oh, yes! I read all of his stuff as soon as it comes out.

Ed. Murray: "Gee! There's an awful lot of girls stuck on me!"

Ed. Vail: "Yeh? They must be an awful lot."

Dudley Lang, freshman stayed up all night trying to see the point to one of his professor's jokes, and then it dawned on him.

John Goodman: What did Franklin say when he discovered electricity in lightning?

Marion Arnett: Nothing, he was too shocked.

Senior (throwing off his cap and gown after "IT" was over):

"Educated, b'gsh!"

You can lead a horse to water,

But you cannot make him drink.

You can drive a Latin pony,

But you cannot make it think.—Ex.

A (telling story): Well, the evening wore on.

B (looking wise): It did, eh? What did it wear?

A: Well, if you must know, I believe it wore the close of a summer's day.—Ex.

Rolland Groves: Did you hear of the street accident?

Antonette Z: Why, no! What was it?

R. G. Why, a woman had her eye on a seat and a man sat on it.

A. B.: I'm going to get a new dress to match my complexion.

C. D. Gee! Hand-painted dresses are pretty expensive aren't they?

Lincoln wrote the Gettysburg address while riding from Washington to Gettysburg on an envelope.

"May I help you to alight," said he to the miss in the car.  
"No I don't smoke," was the hot answer.

*My idea - she would*

Mary Bassinger (exhibiting a poem to the editor:) "I put my whole mind into this poem."

The Editor (Finney) "Oh, I see. It is a blank verse."

Mr. Paulus: Miss Thomas! Come up here and sit in the front seat."

Johanna Thomas: "I wasn't doin' anything."

Mr. Paulis: "I know it. That is why I want you to move up here."

First Student: Can a woman be president?

Second Student: No.

First Student: Why?

Second Student: The Constitution says only a white man can be president.

Sof.—"Joe's awfully absent minded, isn't he?

Omar—"Why?"

Sof.—"Why, the other night he was driving his parents over a lonely road and they came to a particularly lonely spot and before he knew it he had parked the car."

Mrs. Hays: I have went. That's wrong isn't it?

B. Werp: Yes, Ma'am.

Mrs. Hays: Why is it wrong.

B. Werp.: Because you ain't went yet.

Instructor: "Write your composition so that the most ignorant can understand it."

Freshman: "Which part of mine couldn't you understand?"

Miss Wehrs: "What does "A" stand for in this reaction?"

"Bidy": Just a minute. I have it on the tip of my tongue."

Miss Wehrs: "Well, spit it out quick! It's Arsenic!"

Shelley: "Hey, Deaver! Your engines smoking."

Deaver: "Well, it's old enough to."

Evelyn Skeleton: "Most people admire my mouth. Do you?"

Bob Gunderson: "Do I? I think it's immense!"

Rose Derlo: "I can't come Tuesday night I have to accompany Miss Shipherd."  
(Meaning accompanying on piano.)

Bernice Vessendall: "Well Good Grief! Can't Miss Shipherd get around by herself?"

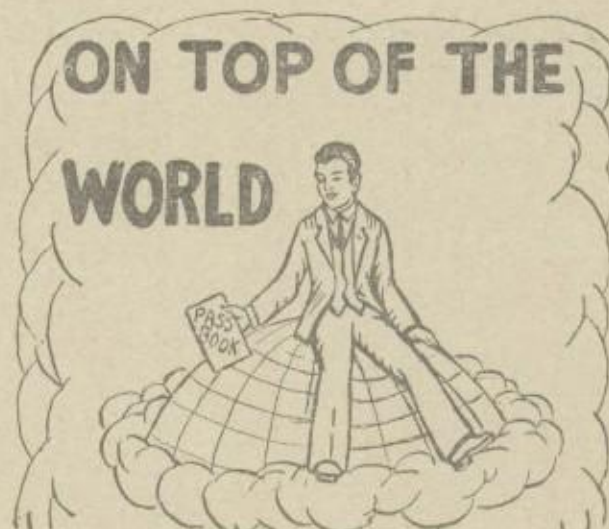

"On Top of the World"—accurately expresses the feeling of the man who has built up a reserve with us. His regular savings are premiums on the policy which insures his future.
